CONSTRUCTION, FINANCING, AND)
INCREASED WATER RATES)

O R D E R

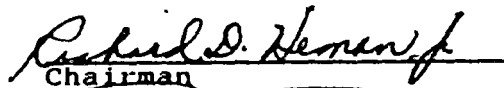

On April 4, 1986, Green-Taylor Water District ("Green-Taylor") filed an application with the Commission seeking a certificate of public convenience and necessity for certain construction, approval of the proposed plan of financing the project, and an increase in its water rates. Item number 3, section 4, of Green-Taylor's application requested a waiver of the 90-day requirement of 807 KAR 5:001, Section 6, and that it be allowed to use the calendar year 1985 as the test year.

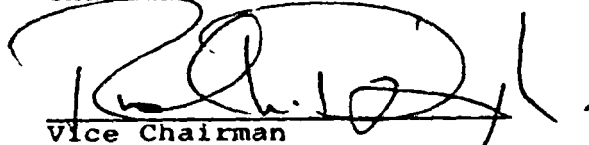

The Commission is of the opinion and finds that Green-Taylor's request to deviate from the 90-day requirement of 807 KAR 5:001, Section 6, is reasonable and should be granted.

IT IS THEREFORE ORDERED that Green-Taylor be granted permission to deviate from the 90-day requirement of 807 KAR 5:001, Section 6.

Done at Frankfort, Kentucky, this 12th day of May, 1986.
